MALTREATMENT OF MINORS MANDATED REPORTING

1. Policy Statement

The purpose of this policy is to establish clear standards and procedures for recognizing, reporting, documenting, and responding to suspected maltreatment of minors receiving Early Intensive Developmental and Behavioral Intervention (EIDBI) services through Bright Minds Therapy, L.L.C. DBA Noor Therapy Center (“Noor Therapy Center”).

This policy exists to:

- Protect children from abuse, neglect, exploitation, and harm
- Ensure compliance with Minnesota mandated reporting laws and DHS licensing requirements
- Promote immediate and appropriate reporting of suspected maltreatment
- Establish staff accountability and documentation standards
- Support a safe and trauma-informed service environment for all children receiving EIDBI services

2. Scope

This policy applies to all Noor Therapy Center employees, contractors, interns, trainees, volunteers, and service providers involved in EIDBI services, including but not limited to:

- Behavioral Technicians (BTs)
- Level 1, Level 2, and Level 3 EIDBI providers
- Qualified Supervising Professionals (QSPs)
- Clinical Director
- Administrative staff
- Telehealth providers
- Support personnel with access to client information

This policy applies in all service settings, including:

- Client homes
- Clinic-based services
- Community-based services
- Telehealth sessions
- Transportation or transitional service settings
- Any location where EIDBI services are provided

This policy applies whenever a staff member witnesses, suspects, receives disclosure of, or has reason to believe that a child receiving services has experienced maltreatment.

3. Definitions

Definitions referenced in this policy follow Minnesota Statutes section 260E.03 and DHS Form DHS-7634E-ENG 7-25.

Maltreatment

“Maltreatment” includes:

- Egregious harm
- Neglect
- Physical abuse
- Sexual abuse
- Mental injury
- Threatened injury
- Substantial child endangerment
- Maltreatment occurring within a facility or licensed service setting

Mandated Reporter:

A mandated reporter is an individual legally required under Minnesota law to report suspected child maltreatment immediately or within 24 hours.

Neglect:

Failure to provide necessary food, shelter, supervision, medical care, education, or protection necessary for a child's physical or emotional well-being.

Physical Abuse:

Non-accidental physical injury or threatened injury inflicted upon a child.

Sexual Abuse:

Any sexual conduct, exploitation, trafficking, or inappropriate sexual contact involving a minor.

Mental Injury:

Observable impairment to a child's emotional functioning, psychological capacity, or behavioral stability.

Threatened Injury:

A condition or action creating substantial risk of physical abuse, sexual abuse, or mental injury.

EIDBI Services:

Early Intensive Developmental and Behavioral Intervention services authorized under Minnesota DHS for children with autism spectrum disorder or related conditions.

4. Policy Statement

Noor Therapy Center maintains a zero-tolerance approach toward child maltreatment.

All staff are mandated reporters and are legally required to immediately report suspected maltreatment of minors in accordance with Minnesota law and DHS requirements.

Staff are not required to investigate or prove abuse or neglect before making a report. Reasonable suspicion alone is sufficient to require reporting.

Noor Therapy Center prohibits retaliation against any person making a good-faith report or participating in an investigation.

Failure to comply with this policy may result in disciplinary action, termination, licensing consequences, and/or criminal penalties.

5. Roles and Responsibilities

All Staff

All employees and contractors are responsible for:

- Recognizing signs of possible maltreatment
- Immediately reporting suspected maltreatment
- Maintaining confidentiality
- Completing required mandated reporter training
- Cooperating with investigations
- Following all documentation requirements

Behavioral Technicians and EIDBI Providers

Direct service staff are responsible for:

- Monitoring client safety during services
- Reporting concerns observed during home, clinic, telehealth, or community sessions
- Documenting factual observations appropriately
- Immediately escalating urgent safety concerns

Qualified Supervising Professional (QSP)/Clinical Director

The Clinical Director/QSP is responsible for:

- Providing policy oversight
- Ensuring staff training compliance
- Supporting staff during reporting procedures
- Conducting or assigning internal reviews
- Monitoring corrective action plans
- Maintaining required documentation

Administrative Leadership

Administrative leadership is responsible for:

- Maintaining personnel training records
- Ensuring policy accessibility
- Supporting DHS licensing compliance
- Assisting with corrective action implementation

6. Procedures and Guidelines

6.1 Recognition of Maltreatment

Staff must remain alert to indicators of abuse, neglect, exploitation, or unsafe environments, including but not limited to:

- Unexplained injuries
- Repeated injuries
- Unsafe living conditions
- Poor hygiene or malnutrition
- Extreme fearfulness or withdrawal
- Sexualized behaviors
- Exposure to violence or substance abuse
- Inappropriate caregiver interactions

6.2 Immediate Safety Response

If a child is in immediate danger:

- Staff must immediately call 911
- Staff must prioritize child safety
- Staff should follow organizational emergency response procedures

6.3 External Reporting Requirements

Reports must be made immediately, as soon as possible, and no later than 24 hours after suspicion arises.
