Your application

You will be authorized to provide or participate in the following if DHS approves your application to enroll as a Level II EIDBI provider:

- EIDBI intervention, observation and direction
- Family and caregiver training and counseling
- Coordinated care conferences
- Individual treatment plan (ITP) development and progress monitoring under the supervision of an EIDBI qualified supervising professional (QSP)

Experience and training

Initial all experience and training qualifications that apply to you. Electronic initials accepted. Attach a copy of your degrees, applicable certifications, transcripts and any other necessary documentation to this form. All Level II EIDBI applicants must be employees of all EIDBI agencies you are affiliated to.

Bachelor's degree applicants: If you have a bachelor's degree, attest and provide documentation to applicable qualifications in this section (**initial**):

_____ I have a **bachelor's degree** in a behavioral health or child development science or related field including, but not limited to, mental health, special education, social work, psychology, speech pathology or occupational therapy, from an accredited college or university.

All Level II EIDBI provider applicants **with a bachelor's degree** must also attest to **at least one** of the following requirements by **initialing**:

_____ I have at least 1,000 hours of supervised clinical experience or training in examining or treating people with ASD or a related condition, or equivalent documented coursework at the graduate level by an accredited university in the areas of ASD diagnostics, ASD developmental and behavioral treatment strategies and typical child development, or a combination of coursework or hours or experience.

_____ I am a Board Certified Assistant Behavior Analyst (BCaBA), certified by the Behavior Analyst Certification Board (BACB).

_____ I am a Registered Behavior Technician (RBT) as defined by the Behavior Analyst Certification Board (BACB).

_____ I am certified in one of the other treatment modalities recognized by DHS. (Indicate certification in the DHS-recognized certifications section of the form.)

_____ I will receive observation and direction from a qualified supervising professional (QSP) or Level I treatment provider at least twice per month until meeting 1,000 hours of supervised clinical experience.

Non-bachelor's degree applicants: Providers without a completed bachelor's degree may also apply to be a Level II EIDBI provider if you attest and provide documentation that you meet **at least one** of the following requirements in this section (**initial**):

_____ I am currently enrolled in a bachelor's degree program in one of the behavioral or child development sciences or allied fields including, but not limited to, mental health, special education, social work, psychology, speech pathology, or occupational therapy from an accredited college or university. I will also receive observation and direction from a QSP or Level I treatment provider at least twice per month until meeting 1,000 hours of supervised clinical experience.

_____ I have an associate's degree in a behavioral health or child development science or related field including, but not limited to, mental health, special education, social work, psychology, speech pathology, or occupational therapy from an accredited college or university; and at least 2,000 hours of supervised clinical experience in delivering treatment to people with ASD or a related condition. You may include hours worked as a mental health behavioral aide or Level III treatment provider in the required hours of experience.

_____ I have at least 4,000 hours of supervised clinical experience in delivering treatment to people with ASD or a related condition. You may include hours worked as a mental health behavioral aide or Level III treatment provider in the required hours of experience.

_____ I am a graduate student in a behavioral science, child development science, or related field and I receive clinical supervision by a QSP affiliated with an agency to meet the clinical training requirements for experience and training with people with ASD or a related condition.

_____ I am at least 18 years old and fluent in a non-English language or certified by a tribal government and have completed the Level III EIDBI training requirements. I will receive observation and direction from a QSP or Level I EIDBI provider at least once a week until I meet the requirement of 1,000 hours of supervised clinical experience.

_____ I am at least 18 years old and have completed initial certification in the treatment modality the EIDBI provider agency I'm employed by uses and have completed the Level III EIDBI provider training requirements. Refer to the [Level II provider qualifications, roles and responsibilities](#) webpage for more information. I will receive observation and direction from an advanced certification provider at least once per week until meeting 1,000 hours of supervised clinical experience.
