Your application

You will be authorized to provide EIDBI under the supervision of an EIDBI qualified supervising professional (QSP) if Minnesota Department of Human Services (DHS) approves your application to enroll as a Level III EIDBI provider.

You must be an employee of all EIDBI agencies you are affiliated to. Attest to enroll as an EIDBI Level III provider by **initialing** the following education, experience and training qualifications that apply to you. Electronic initials accepted. Attach all applicable degrees and certifications.

_____ I am at least 18 years old.

_____ I will complete the DHS EIDBI Level III training requirements within six months.

_____ I have a high school diploma or general equivalency diploma (GED) or at least one of the following:

_____ 1) I am fluent in a non-English language or an individual certified by a tribal nation.

_____ 2) I have one year of experience as a primary personal care assistant, community health worker, waiver service provider, or special education assistant to a person with ASD or a related condition within the previous five years.
